SightSpan Inc.® is Pleased to Announce the Firm Expands Client and Team Communications through Twitter and FaceBook

SightSpan Inc. has joined two of the most powerful international social networks, Twitter and FaceBook. The firm created pages for clients and team members to utilize for company, team member and industry specific news.

Ms. Patricia Potts, SightSpan’s Executive Vice President and Chief Strategy Officer stated, “Adding social networks to our already strong communication platform will allow both clients and SightSpan team members to engage in discussions and read relevant industry and company news much faster and in a more engaging fashion. We look forward to sharing thoughts and news with people from around the world via these two powerful platforms.”

About SightSpan®: SightSpan is an International Consulting and Training firm that assists private and government clients address critical and confidential projects on matters related to Risk Management, Corporate Governance and Business Process Improvement. SightSpan has offices and team members in the US, Middle East and Southeast Asia regions.
